Thank you and Best Wishes!

Dear Parents / Carers

Thank you for all your support throughout the year for our lovely school. I have had a very enjoyable year watching your children grow and prosper. Our success as an academy would not be possible without the strong partnership we have forged with you and your children. Together we can achieve anything we wish to!

It has been a particularly great Christmas, with lots of concerts and Nativities that have showcased your children's many talents.

On behalf of all the staff and governors I would like to thank you for all the cards and gifts. May we wish you a very merry Christmas and a happy new year.

See you in 2018!

MERRY CHRISTMAS!

A Few Reminders

School starts at 8.40am. All pupils should be in class by 8.40am. The doors will close at 8.40am promptly. Anyone arriving after this time will need to go through the office entrance and sign your child in late!

Can all Parents / Carers please use the footpaths provided when entering the academy site. Using the car park as a cut through could put yourselves and others in danger.

We will also not tolerate parents/carers being abusive to any member of staff whilst they are carrying out duties for the academy!

The weather is very cold at the moment. Please encourage your children to wear weather appropriate clothing for school.

We appreciate your continued support with these matters.

SEND Reviews

Thank you all so much for your support and attendance at the recent SEND reviews. We received lots of positive comments about the new 'Pupil Passports' which are now up and running in every classroom!

Lunch Money

It is with regret that I have to remind parents/carers again about paying lunch money. We are having an increasing number of pupils that do not bring their lunch money with them either on the day or in advance. If your child is down for a school meal and does not bring their lunch money with them, you will be contacted by the school and asked to bring it in or provide a packed lunch.

If lunch money arrears are not paid, you will be contacted by the Legal Department. The school is unable to sustain these arrears.

Please make sure you keep up to date with your child's lunch money payments.

Year groups 3-6 currently only pay 50p per day for school meals.

Thank you for your support.

Attendance

Attendance improved slightly last week. Absences are due to holidays and still due to illnesses causing a fall in attendance. As long as your child has not been sick or has diarrhoea, they are able to come to school. Parents are welcome to come into school throughout the day to administer medication if this is required. Please encourage your child to attend school wherever possible. Thank you to all parents who get their children into school. Advice leaflets "Should my child go to school today" are available from the school.

Attendance for the year so far is 95%.

This week's attendance is 96.2%

Attendance is really important to ensure pupils get the best out of their education.

The academy works closely with Humberside Police Safer Schools Partnership, Joint Protocol Police and Schools. The aim of the partnership is to ensure that all young people, staff, parents and visitors to our academy have a safe environment in which to study, work and visit and where young people can be encouraged to develop their full potential.

We would like to thank all parents who have supported us and encouraged their child to follow the guidelines and rules set by the academy.

Parents / Carers are not permitted to enter the car park at any times of the day unless alternative arrangements have been made with the academy. You must leave your car on the road outside of the academy and not on the grass verges. We are working closely with the parking enforcement section at Hull City Council and they are currently monitoring the parking outside of school!
