

Great News!

Ofsted states: This school continues to be GOOD!

Dear Parents / Carers,

It is with great pride and delight that I get to share our recent Ofsted report with you.

As you may be aware, Ofsted inspected Stockwell Academy on Tuesday 30th January 2018? The report is attached.

As you will read we were awarded the status of GOOD, for the second time in five years. As standards in education improve nationally, year on year, we are thrilled to maintain our GOOD status. This is a real achievement, as many schools do not manage to keep this status, with some being told they require improvement.

As an academy we are very proud of the efforts of all in our school community to give your children the best educational start in life. This includes parents / carers, staff, governors and most importantly your wonderful children!

Ofsted recognised the uniqueness of Stockwell Academy and the importance we place in building strong relationships. It mentions the 'Stockwell Spirit' that lives in children and staff. Ofsted very rarely uses such language but felt it important to tell the world of our amazing spirit!

It goes on to talk about our main aim for your children:

'Stockwell Academy is a welcoming, friendly and nurturing school where staff help children to develop well, academically and personally'

Please read the report thoroughly as it gives an accurate view of the academy. It spells out how amazing your children are and how they are happy to come to school to be taught by great staff. There are things that we need to improve and we have already started working on these issues, so that your children continue to get the best deal possible from their local primary school.

By way of celebration, we will be having a non-uniform day on the last day of term. Children may want to come into school in their party clothes, as we will be having a school disco to celebrate everybody's hard work!

The disco will take place during the afternoon. Foundation Stage and Key Stage 1 pupils will go into the hall between 1-2pm and Key Stage 2 pupils from 2-3pm.

As ever, and always, thank you for your continued support!

Mr Coulter
