

Building Works

Dear Parents / Carers,

I am writing with exciting news about two new class buildings that are being delivered to our school during the next few weeks.

They will be situated at the front / side of the school, near to the trim trail. The builders will be on site from Tuesday 8th May 2018 until late June 2018.

We are expecting minimal disruption but do know that the builders will need access to the double gates on Dodswell Grove from 9am on the morning of Tuesday 8th May until that afternoon.

Local residents have been made aware of this potential disruption.

The new classrooms are needed to accommodate our growing numbers. We now have nearly 400 pupils and a whopping big waiting list for some classes!

I will keep you informed of all developments, especially those that may affect your entry onto the school site.

Thank you for your continued support.

Mr C Coulter
