

Keeping in Touch

Monday 27th April 2020

Dear parents / carers,

I hope that you are all safe and well and managing to cope during these very difficult times? I just wanted to contact you again to thank you for all the hard work you are putting in at home, with your children. It can't be easy having to juggle home life, with the way we are having to live life at this moment in time – as well as having to educate your own children!

Everyone has my total admiration for what you are achieving! Thank you.

I have seen some fantastic children's work going on throughout the school, from viewing posts on Tapestry and Seesaw. Please keep this up as it gives us all so much joy, when we view it. We are regularly sharing this on the website and on Twitter.

As you know Tapestry is the platform that children in Nursery and Reception classes use to conduct daily lessons. Seesaw is the platform used throughout Years 1 -6. Teachers plan daily lessons for your child to engage in, so we can keep things ticking over until the day when we thankfully get the children back in school. If you are not signed up to Tapestry or Seesaw I urge you to do so, so that you have well planned resources for your child to complete. It will save you time searching for ideas and the tasks are fun and in manageable bite sized chunks of work.

Staff have been desperate to speak to children in their classes and so the school has set up a system of class teachers contacting children weekly. From this week, class teachers will be phoning parents at home so that they can speak to the children and see how they are getting on with their work? Hopefully this will encourage your children, and support you with anything that they may be able to help with? I'm sure this will help.

We really have missed your children and believe that by calling each week we can keep in touch and keep the Stockwell Spirit alive! If you need any help don't forget we have the two email addresses to contact admin@stockwell.hull.sch.uk and help@stockwell.hull.sch.uk Parents can also contact their child's class teacher via Tapestry or Seesaw.

Keep safe everyone.

Mr C. J. Coulter
