We have kept the staggered timings for two main reasons.

- From a safeguarding point of view, it is easier to have one set of children arriving and leaving at a time.
- If we are required to put any covid restrictions into place because of local infection rates, we will already have the structure in place.

Parents will still be required to keep out of the red boxes by each entrance.

Year six will be allowed to enter the building without lining up, and go home without being collected, unless parents/carers have asked that their child does not do this.

Other year groups will line up with their teacher as normal. The time shown above is the time the children will enter the school.

Lunch Times

The timings and arrangements for lunch will be kept exactly as they are for at least the first half term (unless local covid restrictions mean we need to change things)

Which slot your class has on each day will depend on other activities (such as PE and Music) and a timetable showing the slots will be sent out very soon.
