

As part of Mindfulness Week, 2H went into the woods to find our favourite places to be.

Logan loved being away from everyone for a bit, hidden in the trees.

For James and Luna, this place meant peace and relaxation.

A place to be with friends.

Riley – 'It doesn't matter if I get a picture, I love all of the forest!'

Annie, Lilly and Josie loved being in the trees – literally! All trees love a good hug!
