

The Stockwell Way - PE INTENT

PE lessons at Stockwell should allow every child to find enjoyment in physical activity and experience the benefits that an active lifestyle can provide. Our aim is for our children to become confident and competent learners across a broad range of physical activities.

The subject pillars are:

Develop **fundamental movement skills** such as:
running, jumping, and throwing.

Embed **sporting values** such as teamwork, leadership,
resilience, and fair play that are transferrable into all
aspects of school and wider life.

Develop knowledge of, and ability to apply **strategies,
rules, and tactics** in a range of sporting situations.

Opportunities to **participate and compete** in a wide
range of sports.

Promote healthy and lifelong participation in **active
lifestyles**.
